The names? what federal rules require that? And what does "badged employees" mean in this context?

I have identified 173 pages of minutes/notes from LAX-it planning meetings. Federal rules require that we redact the names and contact info of badged employees. I expect to have that done this week and will send the file.

Hello again,

I'm happy to provide any agendas and minutes related to LAX-it planning.

I'm out of the office this week but will start the search as soon as I return
